

List of Fees

Südwestfalen Container-Terminal GmbH

Hüttenstraße 40, 57223 Kreuztal, Germany

1. Handling fees

1.1 The handling fee per loading unit is 30.00 euros per lift.

2. Parking

2.1 No charge is levied for transport-related intermediate parking.

2.2 A parking fee will be charged for the delivery and collection day as well for any other parking.

Loaded and empty loading units (tank containers, swap bodies, semi-trailers) are charged at 8.00 euros per working day (Monday to Saturday).

Loading units that must be parked in special areas in accordance with ADR/RID will be charged 10.00 euros per working day, irrespective of type and size.

2.3 This is only possible until the next possible change of mode of transport for reasons of licensing for transport-related interim storage of loading units with dangerous goods.

2.4 Sundays and public holidays do not incur any parking charges. Parking will be charged from Monday to Saturday.

2.5 If a loading unit is parked subject to a fee, the fee will be charged per handling in accordance with item 1.1.

3. Other services

3.1 A fee of 7.50 euros per label will be charged for labelling of loading units that become necessary due to missing ADR/RID labels. The fee includes the label.

4. General information

4.1 The term of "loading units" covers all transport containers in accordance with 1.1 of the "General Terms and Conditions".

4.2 Südwestfalen Container-Terminal GmbH offers the following optional additional services:

- Readying railway wagons for loading;
- Allocation of loading units to the respective wagons;
- Reconciliation of outbound and incoming trains for completeness and external damage. Inspection of seals is subject to separate agreement in this context.

5. Financial provisions

- 5.1 The above prices are stated excluding value added tax, which will be added at the statutory rate where applicable.
- 5.2 Settlement will be based on an itemised breakdown. The invoiced amount shall be due without deduction within 10 days of the invoice date.
- 5.3 Costs for payment transactions shall be borne by the invoice recipient.

Payments are not subject to any right of offsetting or retention unless the counterclaim is undisputed or has been determined by declaratory judgement.

6. Final provision

The place of performance and jurisdiction shall be Siegen.

7. Application

These provisions enter into effect on 01/01/2023.
